

NATIONAL INSTITUTE OF TEST STUDIES

Synthetic institution created for the SevaFix demonstration

Provisional Admission Letter

Dear Aarav Mehta,

For this fictional software test, you are shown as provisionally admitted to the first year of a regular undergraduate degree programme for the 2025-2026 academic session.

Applicant	Aarav Mehta
Programme	Bachelor of Science (Computer Science)
Course type	Degree
Enrolment mode	Regular
Current course year	1
Institution	National Institute of Test Studies
AISHE code	C-99999 (SYNTHETIC)
Recognition status	Recognized - synthetic test assertion
AISHE status	Active - synthetic test assertion
Test admission number	NITS-MOCK-25-0184
Letter date	20 July 2025

This letter does not offer admission to any real institution. The institution name and AISHE code are deliberately synthetic and must not be used outside this mock run.
